# Farewell to Archbishop Richard Clarke

Archbishop Richard Clarke celebrated the Eucharist and preached in St Patrick's Church of Ireland Cathedral on Sunday evening 2nd February 2020 for what was his final occasion as Archbishop of Armagh and Primate of All Ireland. He had announced in November 2019 his intention to retire on 2 February which in the church calendar is known as The Presentation of Christ in the Temple or Candlemas, 40 days after Christmas.

In his sermon Archbishop Richard reminded us that at Christmas, Christ had come as the light of the world and at Candlemas that light is brought out by God's people to the whole world.

The Archbishop said that tonight he will be 'letting go' of the Armagh Crozier (his staff). He went on to say that we are all challenged to let go of things that we may cherish most, for the sake of the gospel. But one thing we should never let go of is the hand of Jesus Christ.

The Cathedral was filled to capacity with many guests, friends, clergy and church leaders. Representatives from civic society including the Earl of Caledon - Lord Lieutenant of Armagh and Lady Caledon. The Lord Mayor of Armagh City Banbridge and Craigavon Council.

Following the service in the Cathedral, supper was served in the Alexander Synod Hall.

Archdeacon Terry Scott paid tribute to Archbishop Richard on behalf of the Clergy and Readers while Canon Bill Adair presented a gift on their behalf.

Diocesan Secretary Jane Leighton spoke on behalf of the people, the diocesan staff members, Diocesan Council and the various Boards, thanking Archbishop Richard for all that he has meant to us all. She finished off with a witty limerick which brought smiles and laughter in abundance.

Honorary Secretary Helen McClenaghan presented gifts on behalf of the people.

Archbishop Richard responded graciously and thanked the many people who had been with him on "his adventure" as primate - the clergy and people of the Armagh Diocese, the Diocesan staff and volunteers, the central church staff, the House of Bishops and his friend and co-Archbishop of Armagh - Eamon Martin.

## Message from the editor – Jonathan Hull

Dear friends

It goes without saying that we are living in unprecedented and challenging times, with things changing on a daily basis.

The parish notes in this issue of the Ambassador Magazine were prepared before the directive to suspend church activities, so most of the forthcoming events listed are now obviously postponed.

However we decided to go ahead and publish this issue, hoping that it would be of some value to you all as we endeavour to keep in touch during these times.

As I write on 19th March, plans are being put in place to broadcast Sunday Worship services via the internet and other means and hopefully by the time you are reading this, we will have established this.

Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress. My God, in whom I trust. (Psalm 91:1-2)

Take care

Jonathan

**GFS PARENTS' NIGHT** The GFS Parents' Evening will be on Saturday, 4th April at 7.30

pm in the Parish Centre. Together with the BB, who will have had their Parents' Night a few weeks previously, we thank the leaders of both organisations for the effort and dedication they demonstrate each year in providing some really interesting activities in the annual programme for our young people. Thanks also for the 'extra curricular' work they do in taking young people to competitions and in hosting larger scale events with other companies and diocesan groups here in Annaghmore.

**EXODUS PROGRAMME** We are delighted to congratulate and support one of our young leaders, Sophie Pinkerton, who has been accepted on an Exodus team of Christian discipleship training for 4 months, followed by a mission trip in July to Moldova. Sophie has grown up through our Sunday School and parish organisations, giving back a great deal as a young leader in recent years. We shall be praying for Sophie that God may use this special time for her to grow as a Christian disciple as she seeks to serve the Lord.

**MAUNDY THURSDAY** This year we will be having a slightly different approach to Maundy Thursday with a mini agape meal together. Our Sunday School leaders are keen to involve the children in a meal together, remembering the Last Supper Jesus had with His disciples. With worship, Bible readings, prayers and Holy Communion integrated into the evening we are looking forward to what we hope will be an interesting learning experience for all ages.

### GOOD FRIDAY AND EASTER SUNDAY

The Good Friday Service will be held at 8.00 pm to which we invite everyone in the local community. With music, Bible readings, prayers and reflections we spend time at the cross remembering the sacrifice Jesus made for our sins. Easter Sunday begins with a service of Holy Communion at 10.00 am followed immediately by an Easter Celebration Service at 11.00 am. We are grateful to all who prepare music for each of these occasions which enhances our worship so much.

**FAMILY FUN DAY** On Saturday, 18th April our older youth (15 - 18 year olds) are organising a special Fun Day for families. Having been given a small grant towards innovation and leadership the young people have collectively decided they wanted to support a cancer charity. Therefore, all proceeds from the day will be given to their chosen charity. Thanks to Julie Mullen and Julie Allen for their guidance in all of this.

**TRACTOR RUN** The annual Annaghmore Tractor Run will be taking place on Saturday, 2nd May, beginning with breakfast

in the Parish Centre from 10.00 am with tractors departing at 12.30 pm. The cost per tractor is £15, with all proceeds going towards the Parish Centre Building Fund.

**FOR YOUR PRAYERS** As a church family we have been fervently praying together for our BB Captain and Glebewarden, Raymond Campbell, as well as our mission partner, Claire Holmes, both of whom are undergoing treatment for cancer. Please pray with us for both of them as well as some other relatively young people connected to the parish who are in a similar situation at present.

Emma McCann from Cancer Focus spoke about the work of the charity.

These services are great opportunities to link local church with the wider community.

## PSALMS IN SCHOOLS

Thanks to generous help from the Board of Education, we are linking with our two local Primary schools over the next few months to explore the book of Psalms with P6/7 children.

We'll be looking at Psalms as poetry, talking about good days and bad days and the importance of writing down thoughts and feelings. The project will close with a special concert at Ardrea; date yet to be confirmed.

## NOTICES

To date we have had just two of our new Messy Church services. These have

replaced the usual Sunday service and have proved to be a wonderful addition to our service menu! Informal, easy-going...and warm, which both young families and senior members alike have enjoyed. We will continue with our Messy Church on the 19th April, the Sunday after Easter, 11.30 St John's Hall.

We are also delighted to support and encourage not one, but three people into Lay Reader training. Each of the candidates have submitted the following so that you can learn about them and what they are doing.

## THREE LAY READERS IN TRAINING

I am David Carleton.

I belong to St Johns Church. I was baptised, confirmed and married in the church. I also attended

Ballyeglish Sunday school. I'm a Father of two. I work in NHS as a Mental Health Nurse.

God has placed on me a calling to serve him more fully through a teaching and leadership within the church as a Reader. The role of a reader is a unique position provides a link between the church and the world. As a Christian in the work place can offer a different outlook

answering questions others have. The Readers course is 2 years in duration. It's academic and practical organised by the Theological Institute in Dublin. Armagh diocese provides local input covering various Theological subjects. Becoming a Reader is a privilege and responsibility of sharing Christ with those who do not know him. As Christians we resolve to work by God's grace through the local church. Through personal contacts to make this a reality; reaching others and winning them for Christ. Growing in discipleship both ordained and lay can serve the faith in ministry.

Hi Everyone, my name is Rhonda.

I live in Magherafelt and work as a quality administrator in a local firm. I have 2 children and I am in a relationship with Jackie. I have been attending St. Johns, Desertlyn for approx.2 years now, where I have been enrolled in Mothers union, assist Betty with church warden duties (as and when required), sing in the choir and help with any other activities as required.

A few months ago, I was made aware that there was a need within the Church for Readers and in particular Dioscean Readers; so over the past number of months I have applied, been interviewed and accepted unto this course. The course is due to commence in March and will be held over approx. 2 years. It will involve travelling to Armagh and Dublin for study time. Within the course I will be learning to lead church services – deliver sermons – help with communion and of

course read lessons. The course is assessment/ modules based. Upon completion of the course, if/when I am then commissioned by the Archbishop, I hope to serve churches around the border areas. These churches are not as fortunate as our church here at St. Johns in that they do not have a permanent rector or indeed Readers to help lead their worship services.

I know that it will involve a lot of hard work and is in no way an easy undertaking alongside my other responsibilities of work and family life but I believe that God has called me to do this work and has lead me to this path. (with prayer and faith he is my strength and my guide along life's path). With his help, grace and strength I pray that I will fulfil his plan for me. I am excited to start this course as I feel it will help bring God's voice to the others. I will also get to visit new places, see new faces and most importantly do God's work in remote areas of Ireland.

In completing this course, it does not mean that St. Johns will be forgotten about, in fact I would hope to be of more service to St. Johns, where I will help with the creche (soon to open), continue to attend mothers union and sing in the choir. I acknowledge that none of this would be possible for me if it were not for the love, friendship and support that I have received since joining St. Johns and I thank you all and pray that we can continue to enjoy God's blessing together.

God Bless  
Rhonda

Hello Everyone,

My name is Jackie Carson for those of you who don't know me, I am father to Andrew and James. in law to Karen and grandfather to Lily and Jack.

My occupation is a print manager at Gortreagh Printing, Cookstown, where I have served for 40 years. I have a keen interest in football and have achieved many accolades both for playing and coaching. I enjoy music/singing both solo and as part of the church choir. I have also been doing other work – that is Church work. My church work at St. Johns started when I was about 8 years of age with my grandfather, Jonny McMenemy. He was the caretaker of the parish hall (assembly rooms), Moneymore. I had simple enough tasks he would allow me to do, such as setting out chairs and helping him cut the grass.

Little did I know then, that this would lead to my further church work for both Kildress church of Ireland as a scout leader and chairman of scout committee and then to St Johns where I now hold a seat on the Select Vestry, also assistant church warden, reading lessons and any other jobs required of me within the church - including setting up

the walking football, helping with the creche which is to open soon, and a member of the church choir – including singing at concerts. About 1 year ago Rev. Stringer invited me to become a church Reader. Which encouraged my application to be a Diocesan Reader. One of the deciding factors to do the course was a visit to meet Florence Gallagher also a diocesan reader in the Diocese of Armagh. I met Florence in Newtownhamilton. I felt that I could make a difference to those churches in and around the border areas and Republic of Ireland. This is where I feel the Lord was leading me as it involved visiting/helping other churches in the diocese. This journey will be a challenge, but one I feel I will rise to as I have in the past both on the football field and within my personal life.

The course itself involves 2 years of study, hard work and learning to lead a service and deliver sermons along with reading lessons to name but a few things – of course this will be linked to trips to Dublin and a number of assignments/modules just like being back at school for me, which could be a struggle as I left school in 1980.

Its not all bad though as I am looking forward to the challenge it will present such as meeting new people, visiting new churches and perhaps getting a few new ideas for our own church. As for those that know me well – you will know the biggest challenge for myself will be keeping the sermons to 10 mins and under.

My personal life has taken a few twists and turns but through it all there has been One strength, Love, Encouragement, Comfort and without which I could not and would not be here today.

God has a masterplan for all to follow and I believe that is what I must do now. In God we trust, God bless.

Jackie

### NEW BEGINNINGS

The word 'Lent' comes from an Old English word 'Lencten', meaning spring season. It's a time of new growth, new life and, within our church and school communities, new appointments.

Congratulations to Mr Mike Buchanan, who has recently been licensed as a Eucharistic Minister.

As we say farewell to Ms Susan McCullen, principal of St Peter's National School, we wish her every blessing and success in her new appointment as principal of 'Le Cheille'. On a personal note, I wish to thank her for all her help and co-operation to me during my year as Chairman of the Board of Management. Following Ms McCullen's new appointment, we are pleased to welcome our new principal, Ms Geraldine McKenna, who takes up her post early in April. As both Ms McCullen and Ms McKenna take up their new roles, we remember them in our prayers.

Congratulation to Mr Graeme Treadwell MBA, who has recently been appointed as Chairman of the Board of Management of Dundalk Grammar School. Graeme continues his family tradition of service both to Kilsaran Union and Dundalk Grammar School: like his father, Charlie, he is a past pupil of the school and a valued member of the Select Vestry of Kilsaran Union.

At the time of writing, we still await the announcement of our new archbishop's name. We remember all whose task it is to discern God's will in the appointment and we hold our new archbishop in our prayers as s/he prepares to take up his/her primatial ministry. For Archbishop or Principal or even for ourselves embarking on a new project, the prayer is the same:

Lead me, Lord. Lead me in thy righteousness.  
Make thy way plain before my face.  
For it is thou, Lord, thou Lord only

That makest me dwell in safety.  
(From an anthem by SS Wesley, 1810 – 1876)

### COLLON

The work on the roof in Collon church is scheduled to begin shortly and with this in mind, the last service in Collon took place on 23rd February. Congratulations to all whose tireless efforts made this huge project possible. As a consequence of the temporary closure of Collon, there is a change to the previously advertised venue of the Lent service on 11th March: it is transferred from Collon to Dunany.

### HEALING

We have planned two special Rural Deanery events, focussed on healing. The first will be a teaching session and will be held in Castlebellingham Church on 25th March at 7.30 pm. The second will be a Healing Service with laying on of hands, in St Nicholas' Church, Dundalk, at 7.30 pm. Both will be conducted by Canon Jim Campbell, assisted by the clergy of the rural deanery. We will extend invitations ecumenically across the community and hope that every parish in the rural deanery will be represented.

### MOOREHALL ARDEE

Every month, at 11.30 am on the fourth Thursday, in the Oratory of Moorehall, there is a service of Holy Communion. These are for the residents in Moorehall and parishioners wishing to attend are most welcome.

**DRUMCREE**

Rev. Gary Galway  
Telephone: 028 3833 2503

At the end of January, and into the beginning of February, Heather and I had the pleasure of having a good friend stay with us for the week. Hilary and I studied together in St Johns College, Nottingham where I was blessed to be able to complete my final year of theological training. Hilary has recently returned to minister in Blackburn diocese, after a lengthy period of time spent ministering in South Africa. Hilary witnessed many things in South Africa which deeply impacted her. As I look out onto the rectory lawn and see the Snowdrops and Crocuses, I am immediately reminded of a story which Hilary shared. After a particularly traumatic time in South Africa, she was attending a spiritual retreat in Wales and she saw a single Snowdrop beginning to peep out of the ground. Many of us look at this beautiful little flower as a sign that winter is nearly over and spring is on the way, for Hilary in that moment she looked at it as a sign directly from God. For her, it spoke of hope, encouragement, a new phase and a symbol of new life. During this Lenten time, as we prepare for Easter, we too can look forward to a new phase and new life, 1 Peter 1:3 says 'Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead'. 2 Corinthians 5:17 reaffirms this by saying 'therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here'. What amazing promises, advice and encouragement are provided in God's Word.

### WHAT'S GOING ON?

Lots!! As previously mentioned, planning is coming together for our youth's mission trip to Grace Family church, Connecticut. Some of you probably associate "mission trips" more with developing countries and I think for this reason, the trip has the potential to have an even bigger impact on those going. When we see homelessness, poverty and challenges which one of the most powerful

# THE Ambassador

nations of the world faces, it is more shocking and a 'wake-up call' for all of us. As I always say, the mission field is all around us and I pray that this experience will help give our young people the confidence to outwork a servant's heart in this community. We have had great fun with the fundraising events to date, a table quiz, fork supper and concert to name a few and another one for you to put into your diary is a "Colour run" on Friday 1 May, please keep an eye out on social media and the church notice sheet for more details.

Last year we had a great church family day out to Fort Evergreen, followed by BBQ in Newcastle, this year we are planning to visit Streamvale Open farm, on Saturday 25 April, again to be followed by a BBQ (there always needs to be food involved).

Costs have been subsidised and places limited to a specific number, so please get your name down with Laura ASAP.

It may seem like a long way off but planning has been ongoing for some time for the church fun day, auction and vintage rally on Saturday 6th June, if you have any items of furniture, any "pre-loved" bits and bobs that you no longer use or need etc, then why not have a good old spring clean and let us know, we can even collect it from you if that helps. Remember to keep the day free, we need lots of volunteers to make it all happen.

## A2J

Our Youth Fellowship, A2J, meets every Sunday evening, so we can finish the weekend with friends and prepare for the week ahead by prioritising God in our thinking.

From September, many new faces have been coming to join us as young people have invited friends along to be part of a growing ministry. We've been through a Christians in Sport series called Essentials,

encouraging young people in how to share their faith and pray for friends. Our leaders brought their own take to each element of the series which meant it was engaging and varied. We spent a few weeks looking at young people in the Bible, why their story is included, what we can learn from them and how relevant the message is today.

During the week, we have a couple of small groups, which allow young people to develop their faith further, get to know each other better and be comfortable sharing experiences and asking questions. This is something we would love to offer to more of our young people in the future.

On the Saturday before Shrove Tuesday, A2J hosted a Pancake Stacks and Coffee Morning to fundraise for activities and resources. The team worked hard to serve hundreds of pancakes and ensure many hungry customers left feeling full and content! The morning was really well supported by friends and family which gave a lot of encouragement to all involved.

In March, we head off to Ballintoy on our Youth Weekend which has often proved to be a significant time for young people on their faith journey and also in developing relationships with friends. Summer Madness falls at the end of June and many of our

group have already booked their tickets. We are so blessed to have such a relevant and dynamic Christian festival, dedicated to encouraging and equipping our youth in their faith and so we look forward to being part of the mix in 2020.

## UNIFORMED ORGANISATIONS

We were delighted to welcome the Rainbows, Brownies and Guides with their Leaders, to our February Refresh Service, as part of their Thinking Day celebrations. The Rainbows and Brownies enjoyed singing some action songs and all sections took part in the Bible reading and prayers. The Parish is most appreciative of the dedication and commitment of the Leaders, to the Girlguiding organisations, week by week.

## YOUR STORY, MY STORY

As we continued in our special series of hearing inspirational stories of faith, on Sunday 8th March in St Anne's, we welcomed Heather Flanigan who shared her story of how faith impacts her daily life and in particular her work. Heather is Secretary of the Christian Police Association in Northern Ireland and has a keen interest in supporting colleagues, as well as using her faith as a foundation when dealing with some very complex and difficult situations.

## LENT AND EASTER SERVICES

Throughout Lent, our special Wednesday evening services focussed on the importance of prayer. Each week, we concentrated on a character from the Bible and examined their prayer and its impact. Following each service, there was an opportunity to "Stay and Pray", with a time

of seeking the Lord and praying for ourselves, our parish and our world.

At the February meeting of the Mothers' Union, the special speaker was Alyson Scott, who is the Overseas Representative on the MU Board of Trustees for Armagh Diocese. Alyson shared stories of the difference that the work of Mothers' Union makes in our Overseas Branches. At the end of the meeting, Lynda Stewart handed over gifts for the Diocesan Baby Basics Project. Alyson was overwhelmed with the generosity of all who donated and explained the difference that these gifts will make in a new mother and baby's life.

### VISITING SPEAKER

## KILDRESS & ALTEDESERT

Rev Diane Matchett  
Telephone: 028 8675 1967

During Lent I am leading a Wednesday morning bible study with a book called Lentwise – spiritual essentials for real life by Paula Gooder and I love it. Just last week in a session on Spiritual Nourishment – keeping going, I was so moved by the following extract from that session that I share it with you all: at the start of their wonderful book Sleeping with Bread: holding what gives you life the Linns tell the story of the children who were orphaned and left to starve during the Second World War. Many of those who were rescued and placed in refugee camps were discovered to be unable to sleep at night. Eventually the helpers discovered that, if the children were given a piece of bread to hold, they were able to go to sleep in the guarantee that they would find nourishment in the morning.

I was very moved by this tragic physical, psychological and emotional trauma for those so young. I was broken to read this and hope at some stage to read this book. How awful to read this and yet this is the experience of so many physically within our world while others are overfed and complacent. We all have much that feeds our bodies, and here I go again on a rant about waste! Anyone who knows me knows how I despise waste full stop and, I grow sad to see and sometimes experience spiritual famine. Brothers and sisters if we want to see God's Kingdom come, we desperately need food for our souls as well as our bodies. This season of Lent comes with the fresh challenge of denial, a not so popular thought in modernity, but for the Christian this is our calling – the calling is to take up our cross and follow. To follow, to go deeper into abandonment- abandonment to the King. I have the cautious aim of reading a new book every month over 2020 and I am doing ok but one that I read in January illustrated so strongly the power of prayer, it was a book that offered a timely reminder of what we are up against and it was a good read.

Across the Diocese of Armagh, we have lots of diverse needs within Parish life – we have lots of good, and lovely things happening and with this all, we have challenges and pain and are called to pray and not cease. I love worship in all its diversity and we in

Kildress look forward to having a special service on Sunday the 26th of April at 12MD celebrating favourite hymns, I love most hymns and this one is among them. The words are very apt for all of us during this season of lent.

*Guide me O thou great Jehovah, pilgrim through this barren land. I am weak but thou art mighty; hold me with thou powerful hand. Bread of heaven, bread of heaven, feed me till I want no more; feed me till I want no more.*

Love from us all in Altedesert and Kildress

### FROM THE REGISTERS BAPTISM

Brantry  
16th February : Sarah-Louise daughter of Steven and Leanne Mc Neill

### KILLYLEA

St. Mark's hosted the Ash Wednesday Service. Our thanks to Timothy Morrow for playing the organ. The theme for Lent is the Greatest Sermon ever preached. Jesus words are always relevant, and always contemporary, but we rarely read the whole sermon in its context. Parts are often taken in isolation from the whole, because Jesus touches upon a wide range of topics in the sermon. There is a stark warning at the end-two builders, both hear Christ's Words; only one does them.

The Big Breakfast is on 26th March. It may have already happened by the time you read this. If you missed it, I am sorry. Make sure you don't miss the barbecue on Friday 29th May, juicy steaks, fine food and entertainment by "Smooth the Band."

### CALEDON

Derrylackeagh Contractors have almost finished. The Hall is now looking as if its in use, and we hope it will be. This project has been funded by the Department for Agriculture and Rural Affairs, Mid Ulster Council, Housing Executive NI and the Armed Services Covenant Trust. The original Village School was built in 1807. The Earl of Caledon gave it to the church on condition that it be available for parish and community use.

Madge Johnson celebrated her 100th birthday in style. We hope she will be able to come to the official re-opening of the Hall. She and George Doupe were involved in fundraising to build the last extension

### CHRISTMAS TREE FESTIVAL

Caledon Christmas Tree Festival will run from Friday 4th December to Sunday 6th December 2020. St John's Church will be open for viewing of trees decorated by local community groups, schools and other organisations. Refreshments will be served in the newly refurbished and extended hall.

### DAY OF PRAYER

On the 31st January we held a day of fasting and half night of prayer for our Parish Mission. Despite the weather the Church was never empty on the evening.

### BURN'S SUPPER

Our Burns Supper was a great success. Everyone who attended really enjoyed the Scottish dancing and the variety of entertainment. The haggis was addressed, and a delicious supper was enjoyed by all.

### SUNDAY SCHOOL

Sunday School children are learning about the Fruit of the Spirit each week and they've led the prayers and sang at all Family Services. It is really encouraging to see a large number of families coming across to church and availing of the Pew Packs for the children to use before the service.

### BIBLE STUDY AND PRAYER MEETING

Bible Study takes place on a Tuesday evening at 8:00pm and it is encouraging to see numbers averaging around 25-30 each week.

The Parish Prayer meeting takes place during Lent on and Wednesday at 7:00pm and after Easter will return to 7:30pm.

### GOOD COMPANIONS

Good Companions meet on the 1st and 3rd Thursday of each month from Sept- May. Recent meetings have involved a variety of speakers. Rev Canon Derek Kerr spoke to the group about his extensive knowledge of the Royal Family. Local novelist Emma Heatherington spoke to the group in February and everyone really enjoyed her visit. At the first meeting in March Russell Lucas spoke about hearing impairment. If you are free on a Thursday come along and enjoy the craic!

### TRIP TO ISRAEL

32 people left Killyman on 14th February and all returned safely on 22nd February after a truly brilliant week in Israel. It was a week where the Bible was brought to life by walking the paths of Jesus, visiting places we have read about many times and where we learnt more about the scriptures and about life in Israel. We are indebted to Rev.

Mark for all the preparation he put into the trip. His scripture teaching at each of the sites really enhanced the visits and complemented the historical information provided by Tamar our tour guide.

### EASTER SERVICES

Palm Sunday- 11:30am Liturgy of the Palms, 7pm Evening Worship  
 During Holy Week services will take place in Church each evening at 7:30pm. There will be Holy Communion on Maundy Thursday.  
 On Good Friday:

Youth Parade will take place on Sunday 17th May at 11:30am.  
 Children's Day will take place on Sunday 7th June at 10:30am.

### JUST A THOUGHT...

Jesus came to this world with purpose. He came for a reason. He came to die in our place, and rose again so that we can have life (John 3:16). What does Jesus' Death and Resurrection mean to you?

DUNDALK GRAMMAR SCHOOL

## Why board in Dundalk Grammar School?

Boarding has been an integral part of the school since its foundation. Students from Ireland and abroad have a unique opportunity to experience a wide range of cultural diversity and form friendships that will last a lifetime. Our resident staff aim to provide students with an environment that is safe and happy.

Students come to board for a variety and combination of reasons such as their homes are too far away for a daily commute, and or they want to be away from home distractions and temptations at a time of important study.

Some parents wish their children to have some experience of living away from home prior to moving on to third level study – an important factor when you consider that nearly every (c.97%) Dundalk Grammar School student goes on to study at third level.

- Students from all traditions are welcome
- Excellent career guidance and exam results
- 97% of our students progress to 3rd level education both in Ireland and overseas
- Multi-purpose hall for music, sport and drama
- First class ICT facilities with high speed wireless network
- Modern kitchen/dining rooms providing nutritious and balanced meals
- Sports facilities with floodlit pitches and tennis courts
- First class accommodation offering 5-day and 7-day boarding options
- State-of-the-art facilities for teaching and learning

## CONDOLENCES

It is with much regret that we learned of the death of Amy Dorothy Crawford on 7th January 2020. Amy was the widow of the late Revd Albert E Crawford, former Rector of Milltown from 1953-1965, and was instrumental in founding the Junior GFS in Milltown in 1963. The Funeral service was on Thursday 9th January in Holy Trinity Parish Church, Banbridge, followed by committal in The New Cemetery. Our deepest sympathy goes to son Paul, daughter Gillian, and the extended family circle.

We were also saddened to learn of the death of Florence Victoria Frazer on 22nd February 2020. Florence was the widow of the late Canon James Stewart Frazer, former Rector of Milltown from 1965 - 1971, who died on 15th October 2019. The Funeral service and Thanksgiving for her life was held in St Ignatius' Parish Church, Carryduff, on Tuesday 25th February, followed by interment in St Aidan's Churchyard, Glenavy. Representatives from the parish attended the service bringing our deepest sympathy to David, Hilary, Jonathan, Victoria and the extended family on their sad loss.

We are encouraged to see the progress on the second building for the CCD Orphanage Project in North Kivu Diocese, DRC amidst and in spite of all the fighting there and the Ebola emergency. The walls are now plastered and it is hoped it could be ready for use by the summer. There are many displaced people and refugees being cared for in Butembo, hosted by families from within the diocese, including that of Bishop Ilesomo. Food and essential emergency supplies are also being funded.

Although it is a massive struggle, the people there are grateful for the continued support of Milltown, Killyman, St. Michaels Belfast and the Dundalk group of parishes through CMS Ireland. We continue to pray for peace, stability and healing in that great country, and protection from harm and disease for everyone within the diocese, especially for Mama Mbambu, her helpers and the children in the orphanage.

# Missing in Action? Young men and the Church.

At a recent workshop held by the Diocese of Armagh (21st February 2020), clergy and lay workers from the Diocese examined matters and issues impacting on the place of young men in the Church.

The "Missing in Action" workshop aims were as follows...

1. That participants on the "Missing in Action" workshop, would be better informed, resourced and challenged as to how to better engage with young men..
2. That through presentations and roundtable discussions, good practice ideas that engage young men in children's ministry are highlighted and explored.

The workshops were facilitated by Rt. Rev Ken Clarke, Mrs Sinead Hughes (Promoting well being specialist lead, Southern Trust) and Mrs. Heather Antony and Mr. Harry Simpson (Boys to Men programme (St.Mark's Portadown). Around 25 individuals from across the Diocese took part in this workshop and contributed much learning and insight to the facilitated discussion.

There can be little doubt that across wider society men and young men in particular (those aged 16 to 25 years old) can experience negative significant life changing events and circumstances. Sinead Hughes for example coming from a challenging yet encouraging perspective on men's physical and mental health noted that in terms of suicide for example 12 men die by suicide each day and that across the UK, three out

of every four deaths by suicide are men. Taking his lead from 1Timothy, Bishop Ken Clarke spoke of his experience of ministry to and with men in the pursuit of a Christ like holiness and the particular challenges facing men. He observed that in his experience some men (by no means all) can hit their 40's and 50's and encounter what he termed their "manopause" whereby men seek a re-direction in terms of life and work that is meaningful. This can be a difficult journey for men, one the church may not always best understand.

The final workshop led by Heather Antony (Youth worker St. Mark's Portadown) and Harry Simpson focussed on the work of the parish and a group of volunteers working alongside Primary schools teaching boys (and girls) many practical skills, building resilience and self confidence for children

transitioning from primary to secondary school. The importance of this work was noted particularly for some young boys who for complex reasons may not have a male role model at home. It was also commented upon that with few men entering primary school education such a lack of a male presence also led to some young boys not encountering a male teacher/role model until secondary school.

Feedback during and after the workshop has been in the main very positive. It was observed that a three hour workshop in terms of how the Church might better support young men would only just about "scratch the surface" of this issue. It was also noted that when it come to supporting any "demographic" (such as young men) the Church has much to learn and yet in Christ much to offer and that across Armagh Diocese many men's ministries and initiatives were well established.

One participant in addressing the question as to young men being "missing in action" in terms of their engagement with the Church asked the question "What actions do we want/need men to give themselves to?". I for one have been pondering that question too...

# CHURCH ARMY NOTES

## Sr Valerie Thom writes ...

Church army is forever changing, but at the heart of everything is the ethos of our founder Wilson Carlisle Sharing faith through word and action.

## Zacchaeus Outreach Project

**Lots of interesting things happening soon. It has been confirmed by Liverpool Football Club Foundation that they will be visiting in August. Keep an eye on this page for further details. There will be loads of exciting things happening.**

At the Armagh Bands Forum AGM in Aghavilly Orange Hall we launched the 2nd book of people stories called *Our Band, our Families, our Stories*. It makes just as good reading as the first and if you would like a copy either visit the bus or contact Valerie. We held a pre launch evening where those who had written articles for the book got a chance to see it. It was a lovely evening held in Killymoon Castle. This evening was part funded by a grant for events such as this.

chair was presented to him at the event. The event was supported by a lot of the local bands. Valerie attended and took some photographs and received a great welcome and great chats with loads of the band members who call on the bus. The bus was back on the road as the first parade of the season was held on the 17th March in Armagh for Cormeen Rising Sons of William band parade. It was a busy night on the bus and we had a great welcome from all the bands.

In February there was a big fundraiser held in Armagh Orange Hall called *Webbers Wheels*. It was to raise money to buy Tim Webber a new wheel chair and the wheel

With the committee of the project we have decided to update the bus as she is beginning to feel its age. To help with the cost we are issuing a fire side quiz sheet

which we would be delighted if anyone was willing to help us sell a few.

Valerie has been busy doing talks all over the place about the project and is always amazed about how little people actually understand about the band community, their fund raising efforts etc.

If you have a group and would like Valerie to come and talk to about the project you can contact her on 07736644051, 028 8774 9920 or [valeriethom2@btinternet.com](mailto:valeriethom2@btinternet.com)

## TULLANISKEN AND CLONOE

Rev. Henry Blair  
Telephone: 028 8774 0919

Lent is that time of year when we all join with society in giving things up. The world uses the season for Lent as an excuse for dieting and eating less, and yet that is not what Lent is about in any sense! Lent was traditionally a time of preparation leading up to the celebration of Easter. It was a time when the early church looked to focus more on God and the sense of giving anything up was to spend that time for Him.

Today, as with much in our world, we hold onto an element of things and abandon what it really means.

Can I encourage you to not just have Lent as a season for focusing on yourself, but rather deepening our relationship with God and a time of preparation. As Lent will soon draw to a close what about we keep our focus on our relationship with God through the 50 days from Easter to Pentecost! What about if we live our lives with a renewed focus and pur-pose to serve and live for God. With this in mind we will be looking at living with purpose during the period from Easter to Pentecost as we study the Purpose Driven Life during our midweek fellowship and Sunday services.

Lets find a new purpose in life as we start a new decade with God in a fresh way.

# Coronavirus Armagh Diocesan Response

Below is some very helpful and practical information issued by Bishop John, our Archbishop-elect, to his clergy in Clogher. I think they are very helpful as we work out our response to the challenges unfolding day by day and commend them to you. I am most grateful to Bishop John for sharing them with us and trust that they will help answer many of the questions we have all been seeking guidance on regarding the functioning of everyday parish life. Further advice will no doubt be given in due course. Please remember Bishop John in your prayers and continue to support and pray for each other, our parishioners and all those who find themselves on the front line at this time, especially all who work in our Health Service.

Terry Scott  
Archbishop's Commissary

## Armagh Diocesan Response Guidance Archbishop-elect John's Pastoral Message

As you will be aware, coronavirus is presenting major challenges to the whole of society on the island of Ireland, including to the Churches. It is important that we respond responsibly and proportionately to these challenges. You will have seen that as well as the Diocese, the Presbyterian Church and the Methodist Church have also issued guidelines today. Undoubtedly we will all have to do things differently, at least during the period of this emergency, and possibly beyond that time. However we need also to remember our calling to worship God not only "with our lips but in our lives" as we say in the General Thanksgiving.

Governments and the public health authorities, North and South, have provided

us with very useful guidance, which they will continue to update. But they cannot be expected to know every detail of local circumstances and in light of developing circumstances it is now up to us as a Diocese and as parishes to apply and adapt the broad principles to make sure that their intention is effective where we live and work. For that reason, as you will see, we are cancelling all normal church services as of today (17th March) until further notice. That applies to midweek services too. Funerals will of course continue to take place, but will need to strictly adhere to the public health advice on hygiene and physical distancing. Further advice on funerals will be provided. Although the more usual phrase at the minute is "social distancing" I think it is better to speak of "physical" distance, as the last thing we want to do is to completely dissolve the social bonds of our families parishes and communities. Where possible churches will remain open at certain times for private prayer, provided the public health hygiene guidelines can be met. Further advice will be issued as occasion demands.

As parishes we will also need to think again about how we can be near to people, to demonstrate our love to them, in ways which may require physical distance but does not mean that we are cut off from one another. Clearly there are people who are more at risk than others. I would encourage clergy and parishes to ensure that the worship of God continues in some form (perhaps by people in their own homes saying Morning Prayer at an agreed time, and in that way to be involved in "corporate" prayer. It may well be that civil authorities will ask churches to make ourselves (our human and physical resources) available to be of practical assistance and I know we will respond in the spirit of the generosity of God.

I need hardly say that I trust you will pray for all those who are anxious and fearful; all

those who are vulnerable to this disease and, perhaps above all for all health care workers.

By showing our love and care for vulnerable parishioners and in the wider community, we should also demonstrate that we are a community of faith and hope. This is a medical epidemic which we should not allow to become an epidemic of despair.

I am writing this on St Patrick's Day and can't help reflecting that his calling from God to return to a land where he had been a captured slave must have tested his faith sorely. Even in the midst of his mission, the prospects of a successful outcome must have seemed remote. But with prayer and persistence Patrick fulfilled his calling to such an extent that he will be remembered in virtually every corner of the globe today. Our own calling in these very trying times may not be as spectacular as Patrick's, but if we listen to the call of God in Jesus Christ we can have some confidence that in years to come we will be remembered as those who did what they could and perhaps even a little more when help was needed.

+John Clogher

### 1. PUBLIC WORSHIP

**Services** – All public acts of worship, including Sunday services, Lenten services, Baptisms and Confirmations (including preparation), should cease from 17th March 2020 until further notice. Parishes, where possible, may consider providing access to Churches for private prayer and reflection, should this be the case then hygiene and physical distancing guidance must be observed.

**Online & Media Resources** – Resources

for worshipping from home will shortly be made available online. If your parish intends to co-ordinate worship resources that can be accessed online, please inform the Diocesan Communications Officer so that information of such can be circulated.

**Innovate** – Clergy and parishes are encouraged to consider alternative ways to offer worship and spiritual support to individuals and your community. Anxiety levels will rise and people will be looking for spiritual resources accessible at home to help them. Parishes should give consideration to the preparation of resources for parishioners, including those without Internet access.

**Daily prayers** - Daily prayers can help give structure to our days for those who are housebound with more time for thinking and reflecting. You may wish to consider signposting people to the online resources at <https://www.ireland.anglican.org/prayer-worship/book-of-common-prayer/2004-texts/texts> and to produce local booklets to offer as personal copies only (please do not pass these around).

**Prayer times** - Setting up regular prayer times and using the church bell to sound the times of prayer, use of online conferencing facilities such as Skype, Facetime, Zoom, telephone prayer partners, could positively help to establish a sense of corporate prayer and the strengthening of the praying community.

## 2. PASTORAL CARE

**Clergy, Lay Readers and Diocesan Pastoral Assistants** – The health and well-being of parish and diocesan clergy together with support staff and volunteers is of paramount importance, both for their own protection and for those they minister to. Those with underlying health conditions, those that develop symptoms, and those over 70 years of age should adhere to government guidance concerning self-isolation and should inform a neighboring member of the clergy or supervising member of clergy of their availability / unavailability in order to enable the continuation of pastoral ministry in the

parish. Clergy are asked to co-ordinate the provision of pastoral care in their parishes in cooperation with neighbouring clergy.

**Home Communion** – All Home Communion should cease from 17th March 2020 until further notice.

**Visitation Protocols** – All pastoral visitations should cease from 17th March 2020 until further notice. Instead Clergy and/or Diocesan Pastoral Assistants should contact those needing pastoral care in parishes by telephoning them. The hospital chaplains are no longer permitted to carry out hospital visits unless expressly invited to do so by hospital staff. Clergy who are asked to visit parishioners in hospital or residential care should only do so if permitted by the hospital/residential facility and with the consent of the individual's family. Hygiene and physical distancing measures must be observed.

**Pastoral and practical support** - Develop a plan for the pastoral and practical support of those who are vulnerable or housebound in the parish (the plan must of course adhere to safeguarding policies and hygiene practices). Consider developing a 'Love thy Neighbour' scheme for those in self-isolation with a team of volunteers to: Regularly contact by phone to alleviate loneliness; Report concerns as to their health; Collect urgent supplies & shopping; Post mail. You may want to consider offering to hold next of kin details for parishioners who live alone, but make sure any such personal information is stored securely and you have the individual's permission to have these details in keeping with General Data Protection regulations. Identify and brief lay people who can provide telephone support and prayer for those who are fearful or otherwise distressed.

**Self-isolated** - For those who need to self-isolate, consider how people can be supported with phone calls and via social media, and help with the delivery of shopping and / or medication. It is very important that all church members involved in such support are very clear on and committed to adhering to the Government's isolation and general hygiene advice.

**Funerals** – Funerals should ideally be

attended by family members and close friends only in order to keep numbers in attendance low, it is advisable that funerals are not publicly advertised in order to avoid large gatherings. Congregational singing should be avoided, hygiene advice and physical distancing should be adhered to, physical contact, including handshaking, and funeral teas should not take place. Copies of prayers for the sick and the dying and also a copy of the funeral service could be helpfully sent to those unable to attend the funeral of a friend or relative. Thanksgiving Services could be considered appropriate by those bereaved at a future date when possible.

**Weddings** – Weddings can take place under very restrictive circumstances in accordance with Government guidance, therefore it is preferable that weddings should be postponed.

**Mental Health and Hardship** – Efforts should be made to support those who may be struggling with mental health issues and/or hardship. It will be important to take measures, such as regular phone communication, to help alleviate loneliness and despair.

## 3. COMMUNITY RESPONSE

**Volunteer Mobilisation** – In time volunteer support may be necessary for medical staff and for individuals in the community. Churches are well placed to channel information, particularly on requests for volunteers. Information will be circulated to clergy and parishes when available.

**Public Reassurance** – Clergy can offer an important public reassurance through "the sacrament of presence" and being seen to be "present" and available. This does not include physically visiting those diagnosed with COVID-19 or those who are self-isolating: clergy need to protect themselves and others, making sure they adhere to hygiene precautions. Clergy can also be a trusted voice in a community and help with the distribution of government advice ensuring isolated members of the community are aware of the precautions they can take. Network as appropriate with

local health, welfare, safety networks, funeral directors and other service providers. Ensure contact details for these service providers are held by key parish leadership. Be aware of local information and peculiarities eg changes in public utilities or services that affect your community specifically.

## 4. PARISH ADMINISTRATION

**Premises** - All public parish premises should be closed from 17th March 2020 until further notice, this includes Churches and Church Halls. Parishes, where possible, may consider providing access to Churches for private prayer and reflection, should this be the case then hygiene and physical distancing guidance must be observed. In due course there may be need for church premises to be made available for civic response purposes, these can be considered compassionately as they arise. **Easter Vestries** – All Easter Vestry meetings should be deferred until further notice and existing officers should remain in post until circumstances allow. Legal advice concerning rescheduling is being sought.

**Select Vestries** – All Select Vestry meetings should be deferred until further notice. Matters requiring urgent consideration by a Select Vestry should be considered using electronic means such as teleconferencing, email circulation.

**Parish Organisations** – All parish organisations, including Sunday School, Youth Organisations, Senior Citizen Activities, External Groups that utilize parish facilities etc should be cancelled from 17th March 2020 until further notice.

**Charity Returns and Annual Accounts** – Further guidance is being sought concerning submission of charity returns and approval of annual accounts.

**Continuation of Ministry** – A template document to facilitate the continuation of ministry in parishes will be issued shortly.

## 5. DIOCESAN OFFICE

The Diocesan Office will be closed from 17th March 2020 until further notice. Mail will be received at the Diocesan Office and forwarded to the relevant person. Staff can be contacted by email or by telephoning the **Diocesan Office – 028 3752 2858** There is an answerphone service on this line and messages will be picked up daily.

## 6. COMMUNICATIONS

**Diocesan Magazine** – The April/May edition of the Diocesan Magazine will be produced as planned.

**Information and Guidance** – The diocesan website will be used as the principle point of communication to provide regular updates for parishes and the general public. Information will also be made available through the diocesan Facebook page and through press releases. Information particularly for the attention of parishes and clergy will be circulated via email.

**Reaching out** – Parishes, with their own websites and Facebook pages and those without these are welcome to use the Diocesan Website and Facebook Page to communicate the latest advice to parishioners and worshippers. Please email dco@armagh.anglican.org with information.

## 7. DIOCESAN DIARY

All Diocesan meetings and training events are cancelled until further notice.

*'So we are ambassadors for Christ...' 2 Corinthians 5:20*

Swithin's, Tuesday in Gracefield, Wednesday in St John's, Thursday (with Holy Communion) in St Swithin's and Friday in St John's.

On Easter Day, 12 April, we look forward to bringing a particular word out of hiding as we celebrate the resurrection of our Lord. We used this word a lot on the Sunday before Lent, and at the end of that service we rolled it up and 'hid' it (in plain sight) in a bag at the front of the church. It begins and ends with 'a,' has four syllables and means 'Praise the Lord!' We are 'fasting' from this word during Lent and we will enjoy using it again and again on Easter Day! Do celebrate with us!

We are running a programme called 'Parentalk – the Primary Years' in Gracefield Church Vestry. It is open to all who expressed an interest. Those who attended have been given the opportunity to talk about the day-to-day challenges they face, as well as sharing the things that are going well. We enjoy a cuppa together - and many laughs!

Over 100 guests enjoyed 'Good Food in the Woods' on Friday 28 February in the Church Hall. A free meal was offered to all parishioners who have helped in the renovation of two church buildings while we remained financially in credit. Many of those attending left a donation for Christian Aid, which amounted to just over £700. As well as our meal, we were 'fed' between courses, and at the end, by drama presentations from 'Play it by Ear.' A great evening of fellowship and thanksgiving – many remarked that a similar meal should be available after every Sunday Service!

This year our Easter Vestry meeting will take place on Wednesday 22 April. All are welcome to attend.

Our organist in Gracefield, Heather Simpson, retired in following our Harvest Thanksgiving on Sunday 13 October after

33 years of service. Heather was reluctant to receive any gift to mark the occasion, but on her suggestion Pew Bibles were purchased for Gracefield Church and these were dedicated on Sunday 1 March. Thank you, Heather, for such commitment to Gracefield over the years. We did manage to present Heather some flowers, a framed picture of Gracefield Church and a new Hymnal to mark the occasion! Pew Bibles were also purchased for St John's and these, too, were dedicated on that Sunday.

The porch area at St John's has recently undergone a major change as we have, after many years of discussion, managed to put in place disability access. There is also new tiling being laid with a large mosaic of an eagle as the centre piece – the symbol of St John. Our thanks are given to Mrs Carrie Booth, her daughter Marleen and other family members who have presented the mosaic in memory of the late Mr John Booth, Carrie's husband. A fitting gesture that will remain with us for many years to come.

JOY! Continues to meet (usually) on the second Wednesday of each month at 10.30am. It is for Just Older Youth and is open to all – parishioner and their friends, and others who may like to join us. We have elevenses, an activity or a guest speaker, and a 'Thought for the Day, with a hymn. We have planted daffodils, heard about crime prevention, had a Beetle Drive and learnt how to make a shepherd's crook. We even had a go at fashioning a Brigid's cross out of reeds. We hope to have the opportunity to ask an expert for gardening advice and participate in some chair exercises. Join us - for some JOY and fellowship.

The MU outing on Saturday 6 June will include – a visit to Mission to Seafarers, Belfast, shopping at Sprucefield, a tour of Hillsborough Castle, and tea at Magheralin Parish. Have you signed up yet?!

Chris and Ross from 'Play it by Ear' take to the stage as Jonah and his mother (!) during an evening of Good Food in the Woods.
