

# BUGS, BEES AND NATIVE TREES

(A tree planting initiative for Sunday Schools)

The Diocese of Armagh, the “Bugs, Bees and Native trees” project and Christian Aid (Ireland) have teamed up to plant local species of trees across Parishes supporting children in being more aware of better protecting God’s gift of creation, locally and globally.

*Sunday Schools and Parishes are invited to take part in your own tree planting initiative...*

**10am to 12noon, 13<sup>th</sup> Nov 2021**

To register your tree planting event and to receive free native saplings, please click link below
