

Free Online Training to Support Your Mental Health

Zero Suicide Alliance Training

Zero Suicide Alliance offers a free '3 step' awareness training programme which provides a better understanding of the signs to look out for and the skills required to approach someone who is struggling, whether that be through social isolation or suicidal thoughts.

SHSCT Staff complete the course through by logging onto: <https://www.hsclearning.com>

Psychological First Aid

Psychological first aid is a simple, yet powerful way of helping someone in distress during and after a crisis like the COVID 19 pandemic. It involves paying attention to the person's reactions, active listening and if relevant, practical assistance to help address immediate problems and basic needs.

Living Life to the Full

This is a six week programme using a CBT approach. It introduces participants to the 'Five Areas Approach' which illustrates that events and situations in our lives affect how we think, how we feel, how we behave and also affect us physically. This programme is funded by SHSCT and is therefore free to participants.

For practitioners working to support positive mental health - Overview of NI Protect Life strategy, theoretical models relating to the complexity of suicide, unresolved trauma and loss as it relates to suicide, why compassion, creating safety and self care matters, sources of help and support. To book a place please email: Karen.mccabe@southerntrust.hscni.net before: Monday 7th September 2020 with name, email and work role details. Places are limited.

Online webinar. Supporting those who internalise their distress. Facilitated by Jan Montgomery, Psychotherapist - 29th September 2020 – 10- 11.30am

During this webinar we will be exploring why some individuals internalise their distress. We will learn how this might mean that their distress is missed or dismissed. This webinar is designed to be useful for anyone who knows, works with or lives with someone who internalises their distress – age not important. We will think about how best to build relationships with these individuals and think about how we can enable them to express their emotions without feeling exposed or highly vulnerable. To book a place please email: pwb.training@southerntrust.hscni.net before : Thursday 24th September.

Take 5 Online – Facilitated by SHSCT Promoting Wellbeing Support Workers, 4 week programme beginning Monday 19th October 2020, 12noon – 1.00pm

This interactive programme is aimed at creating awareness of the Take 5 Steps to Wellbeing concept. It will help support us embed Take 5 in our daily lives. To book a place please email: pwb.events@southerntrust.hscni.net before 9th October 2020

The Recovery and Wellness College

There is a recovery college in each Trust that offers free courses and workshops that support people to better understand and manage their mental health and wellbeing. All courses are written and delivered by people with lived experience of mental health issues in partnership with those who have professional experience and knowledge. The free courses are open to everyone who is interested in good mental health.
