

Be Brave Competition

This year you can choose which competition to enter...

Kingo Puppets

Kingo is a big friendly Bible-loving lion. Kids all over Egypt are learning about Jesus and receiving Bibles at Kingo Festivals. Kids get to meet Kingo, play games, watch dramas, sing, hear stories, watch puppet shows and take part in quizzes.

Have a go at making a Kingo sock puppet. You can choose to make a lion or to make a different animal. Use socks, wool, buttons, felt, glitter, pipe cleaners... use whatever works! Be creative!

This competition is great for Primary School aged children but older kids will love it too! All ages can enter.

Kingo Drama

There is always a drama at a Kingo Festival. It might be acted by people or children, or it might even be performed by puppets!

Have a go at writing a script for a drama. Pick a Bible story that you would like to tell and then put it into your own words. It should last no longer than 10minutes.

This competition is great for Secondary School aged children but younger kids will enjoy writing too. All ages can enter.

How to enter:

Send your puppet or script to:

Valerie Thom, Tullaniskan House, 100 Farlough Road, Newmills, Dungannon, BT71 4DX.

Valerithom2@btinternet.com / 028 8774 9920

Make sure that on each entry you have attached the following details:

- Name and age of child/young person
- Name of parish
- Sunday School leader name and phone number

All entrants will receive a certificate. Various prizes will be awarded.

All entries to be received by 26th November 2017.

Idea!

Get the kids in your Sunday School to write a script for puppets, and then make the puppets for it. Perform your sketch in church to show the adults what you've been learning about. (Take a look at the 'Be Brave: Family Service')
