

worship@10

10.00am - 10.45am
in St. Columba's Hall

2018/2019

Life today is busy - many of us are too busy. Maybe it's time to trade our busy lives for full lives. Pausing is important, as being hurried means that we are unable to be fully present with God or with each other. Worship@10 is a place to pause - the format is relaxed with a few songs, prayer and a short talk, followed by a mug of tea or coffee. Why not drop in and be part of the 2018/2019 gatherings.
