

MULLABRACK & KILCLUNEY

KIDS ZONE

Talking time

- Jesus loves us so much that He chose to suffer and die on a cross to forgive our sins.
- *What is sin?* Sins are things that we do or say or think that are wrong and not pleasing to God.
- This is the sad part to the Easter story and it's ok for children to feel sad about Jesus suffering and dying...remind them that Jesus' disciples had forgotten something...He said He would see them again soon!!!
- This is **NOT THE END OF THE STORY!**
