Talking time

- Have you ever been on a long journey?
- Mary and Joseph had to travel around 70 miles to get to Bethlehem and probably used a donkey.
- Mary was pregnant. How do you think Mary must have felt going on such a long journey?
- God kept them safe on the journey and we can ask God to keep us safe to when we travel.

Memory verse

Luke 2:5

He went there to register with Mary, who was pledged to be married to him and was expecting a child
