## Talking time

- If you were saying farewell to someone, what meal would your family prepare for them?
- Jesus was saying farewell to his disciples and telling them how much He loved them.
- The bread is an image for Jesus' body which would be broken on the cross.
- The wine is an image for Jesus' blood that was going to be spilled.
- This is why we celebrate communion in our churches using bread and wine.

### Family challenge

Children should make a bedtime supper for your family and sit together to eat it.

Make sure you set the table and clear it before going to bed!

### Worship song
