EASTER GREETINGS

*Don't be alarmed," he said. "... He has risen! He is not here. **Mark 16 v6***

Your Grace John McDowell, Clergy and people in the Diocese of Armagh;

We were so much happy and touched by your Easter greetings and wishes. Easter is a special time of spiritual renewal and recommitment. Similarly, we gather and commune together during the Holy week as we reflect on Jesus' journey to the cross, symbol of victory and redemption through which we, though from very distant geographical localities, have all been drawn together, becoming brothers and sisters, in Christ and '*Missio Dei*'.

We are excited over our partnership and your upcoming visit in September. We pray that it will further strengthen relationships and renew friendships between our two Dioceses as we will continue to grow together in faith and mission.

The empty tomb tells us that nothing can separate us from the Love of God. We pray that **this Easter fills your hearts with renewed hope and joy from the risen Christ.**

Yours in Christ, on behalf of Clergy and people in the Diocese of Gitega

The Rt. Rev. Aimé Joseph KIMARARUNGU
